

LEAVE OF ABSENCE GUIDE

CRAFT DISABILITY & MATERNITY LEAVE

Introduction

The purpose of this guide is to provide you the information you need to ensure a smooth leave of absence (LOA) process. A leave of absence is an extended period off work. At Mortenson, a leave of absence due to the team member's own serious health condition is called disability leave. Mortenson partners with Lincoln Financial Group to administer all leaves of absence.

PROCESS OVERVIEW

1. Notify your supervisor/manager as early as possible when you believe you may need time away. Keep them informed during your leave of your planned return to work date.
 - Under the Health Insurance Portability and Accountability Act (HIPAA), you are not required to share the medical or personal reason(s) you're off work with your supervisor or coworkers.
2. File your leave with Lincoln Financial Group **up to 30 days before your leave and once your date of disability is known or tentative**
 - Click here: [How to Report a Leave of Absence](#) and view an instructional video [here](#).
 - For more information from Lincoln on filing your claim and what to expect, review the FAQ [here](#).

 - Website: www.LincolnFinancial.com use registration Code: **MORTENSON**
 - Phone: 800-237-3823
3. Lincoln will:
 - File all applicable leave type(s) (FMLA, State Paid Leaves, Parental Leaves, etc). This means you only need to submit 1 claim.
 - Assign you a case manager and reach out to you within 3 business days from the claim submission

- Send you and your provider documentation (called Notice and Proof) to complete and submit back to their team for review
- Discuss with you how pay will be coordinated
- Ask if you want to use any available PTO to help cover your pay. You'll simply answer yes or no. If you say yes, Lincoln will submit PTO for you during the 1st week's unpaid elimination period or any other days when you are not receiving full pay.
- Submit your time to payroll. You will not submit hours in your timecard during your leave.

*You should **not** apply directly with a state program unless Lincoln instructs you to do so.*

SHORT-TERM DISABILITY

Non-union craft team members are eligible for short-term disability after 6 months of active service. Your STD payments will be paid through Mortenson's standard weekly payroll once your claim is approved through Lincoln Financial. You will have a one week waiting period before your STD begins.

Short-Term Disability (STD)

Lincoln Financial Group reviews the medical documentation submitted by your doctor and finalizes the dates you will be approved for STD. STD payments will begin once Lincoln approves your claim.

- **Week 1/STD Elimination Period:** Unpaid or use PTO
- **Week 2 - 7:** 70% of your base salary - per week (taxable)
- **Week 8 - 26:** 50% of your base salary - per week (taxable)

Holidays

Company-paid holidays do not extend your STD timeframe. For example, if your STD is approved through 5/19, a holiday will not extend your STD through 5/20.

STATE PAID LEAVES

Several states offer Paid Family & Medical Leave (PFML) or state disability programs that provide partial wage replacement and job protection for qualifying leave reasons. Mortenson partners with these state programs and coordinates benefits to help eligible team members receive up to 100% of regular pay, when possible.

State paid leaves in MN, CO, WA, and OR will be administered and coordinated by Lincoln Financial Group. Lincoln will manage the entire state paid process for you. They will file your state paid leave claim in conjunction with your Mortenson paid leave, ensuring you receive your full benefit amount (state pay plus Mortenson "top-up").

Team members working in states with a paid leave program, outside of MN, CO, WA, and OR, must file their claim directly with the state. You will coordinate with Lincoln to file for the Mortenson paid leave benefit "top-up".

If you choose not to file the state claim you will only receive the Mortenson "top-up" portion, and state portion will be reported as unpaid time.

UNION TEAM MEMBERS

If your union does not offer any leave benefits, you should contact Lincoln to file for FMLA, State Paid Leave, or a leave as an accommodation. FMLA eligibility noted in the next [section](#) and [State Paid Leave](#) information noted above.
